DATE 07 Feb 96

Subject: L-1011, Exterior Paint Removal

Reference: A) TW/MCI/96-036-F  
B) TW/MCI/96-034-F

DTD: 29 Jan 96

DTD: 28 Jan 86

In response to TWA's query pertaining to stripping the exterior paint, Lockheed offers the following:

Chemical stripping is the only paint stripping/removal procedure currently approved by Lockheed for the L-1011. However, Lockheed has no technical objection to TWA using the proposed "FLASHJET" method.

If local regulatory authority approval is required, it should be obtained by the operator.
